Hello! Property Owners

I have recently changed my Iowa residence to

Also returned recently here from Hayward loaded with frustrations over the condition of the access beach road off Slack Road.

My father-in-law deeded that strip of land between Bob Cook's summer home and my families' beach front to the County. I tried this summer to convince the county & the authorities who patrol this property that the sandy beach that gives the access landing is nearly impossible to use. With the water is low - boat trailers have dug 1 1/2 ft deep ruts in the sand.

Thus, the water <sup>level</sup> being so low the past few years, may my neighbors & I request your help to convince the County that the launching of boats need **HELP**
